ACTION: Notice of availability of permit applications; request for comments; correction.

SUMMARY: We, the U.S. Fish and Wildlife Service, correct errors in a recently published notice that announced the availability of permit applications for public comment. Therefore, if you submitted comments, you need not resubmit them.

DATES: To ensure consideration, written comments must be received on or before May 13, 2016.

ADDRESSES: Send written comments by U.S. mail to the Regional Director, Attn: Carlita Payne, U.S. Fish and Wildlife Service, Ecological Services, 5600 American Blvd. West, Suite 990, Bloomington, MN 55437–1458; or by electronic mail to permitsR3ES@fws.gov.

FOR FURTHER INFORMATION CONTACT: Carlita Payne, (612) 713–5343.
